Attendance Policy

It is the intent of the Itawamba Community College Board of Trustees that opportunities for student success and the development of personal responsibility be a high priority for the College. One of the key factors in this endeavor is class attendance. In keeping with this intent, Itawamba Community College's faculty maintain attendance records for all classes offered by the College. It is the student's responsibility to attend class.

Online Class Attendance

Students are expected to attend all classes and complete all coursework prescribed by the instructor. For online classes, submission of module assignments constitutes attendance. Attendance is counted from the first scheduled class meeting following enrollment. If a student is absent more than 15 percent of the class time (3 absences), he/she will be dropped from the class. It is the student's responsibility to monitor his/her class attendance to avoid being dropped from class.

All Classes - Class Reinstatement

A student who has been dropped from class because of excessive absences may request reinstatement to the instructor prior to the next scheduled meeting or assignment due date after the student has been notified of the drop.

If the instructor denies admission, the student may appeal to the Dean of eLearning Instruction, or Vice President of Instructional Services, within 24 hours following the request to the instructor.

All Classes - Appeals

Students who are not readmitted to class may appeal the decision to the Vice President of Instructional Services who will convene a committee to hear the appeal if the appeal is not otherwise resolved. The appeal must be made in writing to the appropriate dean or Vice President of Instructional Services within two school days following denial of readmission. The appeal must include documentation that absences resulted from by an emergency or an extenuating circumstance. The decision of the committee may be appealed to the President of the College whose decision will be final.

Grading System

The class utilizes a 10-point grading scale. Quizzes are auto-graded based on the correct answer for multiple choice and true/false questions. Contact your instructor if you believe there is an error in grading. Discussion posts and homework questions are graded using a rubric and instructor comments/feedback.

Grading Scale

B	80% - 89%
C	70% - 79%
