Late/Makeup Work

Make up work is on a case-by-case basis. You must contact the instructor, and provide a valid reason.

Attendance

Students will be placed on probation if they miss __2__ days.

Students will FA (failure due to absences) or be withdrawn from the course if they miss __3__ days. The grade of FA or W will be determined by the last day of attendance in a face-to-face class and the last day of participation in an online class. The FA/W dates are determined by the table found in the College syllabus.

Allowed Absences: Class attendance is required, and the maximum number of absences allowed in a course will be determined based on the enrollment audit and reporting guidelines established by the Mississippi Community College Board. When a student's absences reach the probational level, the Office of Student Affairs will notify the student that absences are jeopardizing the student's chances of success in the course. Upon exceeding the number of allowed absences for a class, the student will be removed from the class due to absences.

Appeal Procedure for Excessive Absences: Students who are dropped from a course due to excessive absences must first petition their instructor for readmission to the class. The instructor may allow students to be reentered if the absences are deemed to be justifiable. If the instructor does not grant readmission to the class, students may then appeal to the Office of Student Affairs for readmission. All appeals to re-enter must be made immediately. Absences occurring during the appeal process will be counted against students. Students have the right to file a grievance regarding the decisions made by instructors and the Dean of Students. Grievance procedures are available in the [Grievance Procedure Policy \(05.06\)](#).

Academic Progress: Students enrolled in online or in-person courses are expected to make academic progress on a weekly basis. Progress will be determined by completing class assignments and participation in online and/or in-person class meetings. Signing into a class through CANVAS does not count as academic progress. Should students choose not to make academic progress in a class, absences will be recorded to reflect the action.

Classroom Behavior

Any acts of classroom disruption will not be tolerated, in accordance with the Student [Code of Conduct 05.16](#) described in the [Student Policies and Procedures](#).

Artificial Intelligence

Students should review the College's policies and/or instructor guidelines regarding the use of AI.
