Course Description

Study of the fundamentals and application of financial accounting principles that relate to business. The topics to be covered include the accounting cycle and the accounting systems for service and merchandising businesses. Three semester hours credit.

Required Texts and Materials

eBook included in Course – Horngren’s Accounting 14e, Tracie Miller-Nobles and Brenda Mattison. Published by Pearson Publishing. Access to your eBook and MyAccountingLab through our Canvas Course. There is nothing additional to buy to gain access to your eBook or MyLab.

Communication

The best way to communicate with me is via Canvas Inbox or Jones College email. Emails will be responded to within 24 hours; emails sent on Fridays, weekends, or during school holidays may not get a response until the campus reopens. Students are responsible for checking their Jones email for announcements, assignments, etc.

Learning Outcomes:

Upon completion of the course, the student will be able to:

- A. Demonstrate knowledge of accounting principles and practices
- B. Process information through the accounting cycle
- C. Prepare and interpret financial statements
- D. Identify internal controls and ethics
- E. Analyze and record transactions of current and plant assets and current liabilities

Methods of Evaluation

- Homework: Students will submit answers through MyAccountingLab.
- Study Plan: Multiple choice and application questions completed in MyAccountingLab are used to prepare students for chapter tests.
- Interactive Quizzes: Short multiple-choice quizzes for each chapter covered.
- Chapter Tests: Eight online objective tests on the material covered will be given through MyAccountingLab.
- Proctored Mid-Term in MyAccountingLab
- Proctored Final Exam in MyAccountingLab

120 Points – Homework (MyAccountingLab)	(11%)
400 Points – Chapter Tests (MyAccountingLab)	(34%)
150 Points – Comprehensive Problem on Accounting Cycle	(15%)
200 Points – Proctored Mid-Term Exam (Chapters 1-4)	(20%)
200 Points – Proctored Final Exam	(20%)

*1070 Total course points

*There will not be any late/makeup exams or assignments. You will be allowed to drop or miss ONE chapter exam for the semester. Your final grade in the course will be based off of 1,020 total points. My recommendation would be to take all exams and let your lowest score become your drop grade.

Grading Information

The grading scale for the course is:

A = 90%,

B = 80%,

C = 70%,

D = 60%,

F = Below 60% of total course points.

Students who do not take the final exam will not complete the course.

Incomplete Grades

Students will not be given an incomplete grade in the course without sound reason and documented evidence as described in the [Student Policies and Procedures](#). In any case, for students to receive an incomplete, they must be passing and must have completed a significant portion of the course.

Testing Information

Eight objective chapter tests will be given online through MyAccountingLab. They will be timed, and two attempts will be allowed. Students may use resource materials for these chapter tests. A proctored mid-term exam and a proctored final exam will be given. No resource material will be allowed during the proctored exams.

- A "proctored" exam is a test that you must take at an approved MSVCC testing location and requires an appointment.
- Two (2) proctored exams will be given in each online class.
- All proctored exams must be scheduled using Proctoring, which can be found within the online course environment (Canvas). Your Proctored Exams must be taken in the Jones College Testing Center or with another MSVCC-approved proctor.
- Visit the [eLearning Proctored Exams](#) page for more information on proctoring options, including Virtual Proctoring if you plan to take your proctored exam(s) virtually.

Late/Makeup Work

There will not be any late/makeup assignments or exams allowed unless there has been documentation of the extenuating circumstance provided to the instructor. It is the student's responsibility to provide appropriate documentation to substantiate such circumstances. There will be a 20% Penalty if the Proctored Exams are not taken during the exam period listed on the course calendar.

Attendance

Students will be placed on probation if they miss 2 days.

Students will FA (failure due to absences) or be withdrawn from the course if they miss 3 days. The grade of FA or W will be determined by the last day of attendance in a face-to-face class and the last day of participation in an online class. The FA/W dates are determined by the table found in the College syllabus.

Allowed Absences: Class attendance is required, and the maximum number of absences allowed in a course will be determined based on the enrollment audit and reporting guidelines established by the Mississippi Community College Board. When a student's absences reach the probational level, the Office of Student Affairs will notify the student that absences are jeopardizing the student's chances of success in the course. Upon exceeding the number of allowed absences for a class, the student will be removed from the class due to absences.

Appeal Procedure for Excessive Absences: Students who are dropped from a course due to excessive absences must first petition their instructor for readmission to the class. The instructor may allow students to be reentered if the absences are deemed to be justifiable. If the instructor does not grant readmission to the class, students may then appeal to the Office of Student Affairs for readmission. All appeals to re-enter must be made immediately. Absences occurring during the appeal process will be counted against students. Students have the right to file a grievance regarding the decisions made by instructors and the Dean of Students. Grievance procedures are available in the [Grievance Procedure Policy \(05.06\)](#).

Academic Progress: Students enrolled in online or in-person courses are expected to make academic progress on a weekly basis. Progress will be determined by completing class assignments and participation in online and/or in-person class meetings. Signing into a class through CANVAS does not count as

academic progress. Should students choose not to make academic progress in a class, absences will be recorded to reflect the action.

Classroom Behavior

Any acts of classroom disruption will not be tolerated, in accordance with the Student [Code of Conduct 05.16](#) described in the [Student Policies and Procedures](#).

Artificial Intelligence

Students should review the College's policies and/or instructor guidelines regarding the use of AI.

Jones College understands that artificial intelligence (AI) tools are intended to support student work, not replace original thought or effort. These tools should be used only with the explicit and clear permission of each individual instructor, and then only in the ways allowed by the instructor. Students should approach the use of AI tools with academic honesty and ethical considerations. If it is proven that a student submits AI generated work without instructor approval, the Jones College Student Code of Conduct will be enforced.

Accommodations

Statement of Non-Discrimination and ADA Statement: Jones County Junior College does not discriminate on the basis of race, color, national origin, age, sex, or disability in its programs, activities, or employment practices. Contact information for the persons that have been designated to handle inquiries and grievances regarding the non-discrimination policies: (ADA/ Section 504) [ADA Coordinator](#), Student Affairs, phone 601-477-2673; email ADACoordinator@jcc.edu and (Title IX) [Title IX Coordinator](#), email TitleIXCoordinator@jcc.edu Hutcheson-Hubbard Administration Building, Jones College, 900 South Court Street, Ellisville, MS 39437.
