NWCC'S OFFICIAL ATTENDANCE POLICY:

Regular and punctual attendance at all scheduled classes is expected of all students and is regarded as integral to course credit. There are times, however, when students must miss class. Nevertheless, if a student's absences exceed the equivalent of two weeks of class meetings, that student will be withdrawn from the class with a grade of "W." Online courses have additional information regarding class attendance included in the instructor's Course Outline.

Students are expected to be prompt in class attendance. A student is counted absent from class if he or she misses more than 10 minutes of a class meeting. Three tardies constitute one absence.

Particular policies and procedures on absences and makeup work are established for each class and are announced in writing at the beginning of the term. Each student is directly responsible to the individual instructor for absences and for making up work missed. The instructor reserves the right to remove from the classroom any student whose conduct is disruptive to the learning process.

A student who has been reported as having excessive absences has the right to appeal. For more information about the appeal process, contact the Center Dean or the Vice President for Academic Instruction and College Parallel Programs.

ATTENDANCE POLICY FOR ONLINE CLASSES:

For specific information regarding the attendance policy for online classes, see the Course Outline.

PLAGIARISM AND CHEATING/ACADEMIC HONESTY:

Both cheating and plagiarism are prohibited. Plagiarism is the presentation of another person's ideas, words, or work as one's own. Alleged violations involving cheating, plagiarism, and other academic misconduct will be handled according to the procedures outlined in the *NWCC Student Guide*. These procedures are as follows: Students involved in cheating or plagiarizing will be reported to a five-member Ad Hoc Committee on Cheating and Plagiarism. The chairman of this committee will be the Academic or Career-Technical Dean as determined by the student's major. Other committee members will be the director of the department in which the alleged dishonesty occurred, the student's faculty advisor, and two SGA members. The committee will review the alleged act and may assign sanctions ranging from imposing a failing grade in the course to withdrawal from the College.

STATEMENT OF AUTHORITY:

The instructor reserves the right to remove from the classroom any student whose conduct is disruptive to the learning process.

ADA STATEMENT:

Students with disabilities are encouraged to notify their instructors of their condition at the beginning of the semester. The college and your instructors will make reasonable accommodations for persons with documented disabilities.

Individual instructors and specific programs may have policies and requirements in addition to those listed here. Any additional course information that is particular to a given teacher or program will be included in the Course Outline attached to this syllabus. Note: The instructor reserves the right to make any necessary changes to the information provided in the syllabus and the course outline during the semester.
