

ACC 2223: Principles of Accounting II

Southwest Mississippi Community College

Instructor: Andrew Grice, CPA
E-mail: agrice@smcc.edu

Catalog Description:

Prerequisite: ACC 2213. This course is designed to teach accounting for corporations and the basic concepts of managerial accounting. Emphasis is placed on corporations; financial statement analysis; concepts of managerial accounting; accounting systems for manufacturing operations; and decision analysis for planning and control. Four or five objective tests are administered during the semester. Three hours of lecture per week.

Course Objective:

The purpose of the course for the student to: A. Analyze and record transactions of debt and equity financing B. Differentiate between corporations, partnerships, and LLCs C. Prepare and interpret statement of cash flows D. Analyze financial statements E. Distinguish between manufacturing business accounting systems F. Apply managerial decision making techniques

Outcome Competencies:

The student will gain an understanding of the fundamentals of accounting theory and practice. The topics to be covered include managerial accounting concepts and internal business decisions.

Text/Materials:

Cengage Unlimited

Accounting (28 Edition)- Warren, Jonick, Schneider

Instructional Techniques:

For each chapter, students will be expected to:

1. Complete an assigned textbook reading
2. Watch a video lecture with guided example problems
3. Complete one homework assignment.
4. Make one discussion post and leave one discussion comment

All assignments are due by 11:55 p.m. on the assigned due date. Students must send all assignments to the instructor through the specified method.

Communication Policy:

E-mails and Canvas messages should be written in proper English. (Not text messaging language). The message should be clear and concise. Canvas messaging service is the preferred method of communication for students.

Outcome Competencies:

Upon successful completion of this course, the student should have a basic understanding of the accounting for corporations, analyses of accounting information, basic concepts of management accounting, product-costing systems, and decision analyses for planning and control.

Evaluation and Grading:

There will be four unit tests and a final exam. Each student's lowest unit test grade will be dropped from the final grade calculation. The final exam must be completed in-person at an approved proctoring center and may not be dropped. Unit tests and the final exam will be multiple choice. Each student's lowest homework grade will also be dropped from the final grade calculation. Make up tests and homework assignment extensions will not be granted.

Academic Engagement/Class Attendance Expectations:

To be recorded as "Present" each attendance period, students will be required to complete at least one academic engagement activity during the attendance period. The academic engagement activities for this class are:

- Graded assignments (test, exams, essays, etc.)
- Discussion Questions

Regular and Substantive Interactions:

During this course there will be multiple instances of regular and substantive interactions with students that are initiated by the instructor. These interactions will include:

- Assessing or Providing Feedback
 - Graded assignments that included personal feedback from the instructor
- Information/Responding to Questions
 - Public forum for student questions
- Facilitating Group Discussions
 - Video lectures
 - Instructor initiated discussions

Grading scale:

10 Point

Academic Honesty:

Academic honesty is expected in this course on the same level as it is expected in our traditional on ground courses.

Disability Statement:

Each student who wishes to be served by Disability Support Services must:

- self-identify by contacting the Disability Support Services Office in a timely manner to request accommodations for the current semester
- complete the DSS application
- provide documentation of the disability or disabilities
- request accommodations each semester

It is recommended that you request accommodations prior to the beginning of the semester to ensure that you receive your accommodations in a timely manner, as some accommodations such as interpreters, special books, or equipment take more time to secure.

SMCC administrators and faculty cannot approve or provide accommodations without this letter.

Disability Support Services is a non-fee generating program designed to meet the unique needs of SMCC students with disabilities. Reasonable accommodations are offered in accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA). You can download the DSS forms and find more information at www.smcc.edu/index.php/dss.

Mrs. Rhonda Gibson is our Director of Disability Support Services and her office is located in room 129, located on the first floor of Kenna Hall in Student Services. To make an appointment with ***Mrs. Gibson, please call 601-276-3885 or email rgibson@smcc.edu.***
