Beau Rivage - Special Guidelines

Shipping Packages Less Than 75 lbs.

Vendor exhibit materials for this event will not be accepted in advance by the Beau Rivage unless they weigh less than 75 pounds and can be retrieved through the Beau Rivage Business Center during their normal hours of operation. All other items must be handled / moved using Gulf Coast Event Services drayage service (see the enclosed drayage form).

Shipping Packages Over 75 lbs.

Large items and packages weighing over 75 pounds including pallets, crates, etc. must be strictly handled through Gulf Coast Event Services (see enclosed drayage form). **All large items shipped directly to the Beau Rivage loading dock will be refused.**

Beau Rivage Loading Dock

Vendors bringing large items to the Beau Rivage the day of exhibitor set up:

The Beau Rivage has instituted a new badging system for all vendors using the loading dock. Beau Rivage Security will give every vendor using the loading dock a badge authorizing access to move their items from the loading dock, through the back hallways, up the freight elevators, and to the convention floor.

The badges are time limited and color coded. Each badge will be handed out with a specified date / time range (i.e. the length of the trade show). Once the time has expired, the badge will change color and indicate the person is no longer authorized for access. Vendors utilizing the loading dock are directly responsible for moving your items. **The Beau Rivage will not provide assistance to move your items to and from the loading dock.**

If you require assistance moving items from the Beau Rivage Loading Dock to the trade show exhibit hall, you must order that service from Gulf Coast Event Services - see the enclosed on-site labor form.

If you have any questions please contact Gulf Coast Event Services directly.

SHIPMENT NOTICE

Exhibitors planning to ship in their equipment must use Gulf Coast Event Services off site drayage service. The Beau Rivage cannot store freight and will refuse all deliveries of exhibitor freight sent directly to their location.

The following forms must be completed before any shipment will be accepted in our warehouse:
